Welcome

Lancaster & Morecambe College is committed to bringing great opportunities to the special urban and rural communities it serves. We are therefore really proud to be offering accessible qualifications to those looking to retrain, upskill or find a new hobby.

In the 2020 inspection of the College, Ofsted recognised the quality and impact of our adult education provision based on the feedback and experiences of our students.

Learners on adult learning programmes brim with enthusiasm about their learning. They feel very well supported by their tutors and they appreciate the flexibility that allows them to balance their learning with family life. Learners say that they have fallen in love with learning (and) feel that their learning programmes help them to achieve their full potential.

We look forward to continuing the development of our provision in partnership with our communities to provide inclusive, enjoyable and productive opportunities for all.

Wes Johnson
Principal,

New courses in the community

We're delighted to be running new courses at Dallam School, both at their Heversham and Milnthorpe sites. We hope these courses give you the opportunity to explore your creative side and thirst for further learning. Come along to our Enrolment Evenings at Dallam School and apply for one of our new courses.

In my role as Adult & Community Manager, my goal is to offer courses to local residents and expand our offering for adults. All of our Part Time courses are designed to work around your lifestyle, commitments and pace of learning.

The College is committed to work alongside individuals and groups to offer courses of interest as well as funded qualifications. If you can't find what you're looking for please get in touch.

Becky Davenport
Adult & Community Manager,
