

# Careers in lessons - ask yourself:

1. What careers advice did you get in school?
  - a) Was it useful?
  - b) How could it have been improved?
  - c) Who influenced them most when you were at school when you thought about careers and work?
2. When did you last mention something about work or careers in a lesson?
3. When could you have mentioned something about careers or work in a lesson?

# Vision for careers provision at Dallam

Through careers provision, to develop:

1. Self-confident, articulate students
2. Opportunities to find out about careers & the world of work
3. Growing skills for career development & employability

This is you talking to students, not just careers events

# **In lessons**

Gatsby 4 - linking curriculum learning to careers.

All teachers should link curriculum learning with careers.

Subject teachers should highlight the relevance of subjects for a wide range of future career paths.

## **Careers ideas**
