

We have an exciting opportunity for a keen and caring Apprentice Dental Nurse to join our highly skilled, buzzing team. The role encompasses all aspects of general dental nursing with opportunities for growth into specialist areas as your skills develop. We have a lovely team ethos here, you will find that you have plenty of support encouraging you throughout your training, enabling you to gain confidence and competency.

We have a great training provider with a structured training programme and extensive resources. Your apprenticeship pathway will be a combination of studying and practical experience, which leads to qualification within 12- 18 months with a NEBDN Dental Nurse Diploma. This qualification is the key to the door for your registration as a GDC Dental Nurse unlocking a career with us here at Crossbank Dental Care or the wider world.

Crossbank Dental Care is a thriving dental practice located in the market town of Kendal, close to the beautiful Lake District and Yorkshire Dales National Parks. Crossbank Dental Care holds an excellent reputation as a referral centre in the South Lakes, being well known for the provision of dental implants and oral surgery, as well as dental cosmetic treatments and facial aesthetics. Our wide-ranging treatments enable you to enjoy diverse days at work; with provision also made for consistency.

We are a friendly, welcoming, multi-cultural team and we pride ourselves in providing a warm and positive environment for our patients, whilst delivering the highest standard of dental care. We enjoy socialising together as a team with organised and impromptu events throughout the year. Our organised events include an event each season: this year for our "Spring into Spring" event we had a pamper afternoon; our "Summer Day Out" this year is an outdoor adventure; "Autumn" is planned to be an essential oil wellbeing workshop; and with a "Winter's Day Walk" and a fab "Xmas Do"!

We can offer you:

up to five (5) days per week;

a strong team ethos and support network surrounded by highly qualified and enthusiastic clinicians and nurses;

Full apprenticeship training provided with a salary of £7.50 per hour;

robust protocols for team and patient safety during Covid-19 pandemic; and

a friendly team who are looking forward to you joining us!

We would love to hear from you if you have a keen interest in developing your career and are inspired to learn how to become an excellent dental nurse to best care for our patients' needs. Our next apprenticeship position starts August/September 2022. Please contact Bex Cooper: bex@crossbankdental.com for further information and an application pack.
