CAREER PROSPECTS

Psychology complements many other subjects and is accepted as an entry qualification for all university courses. It is not essential to take A-level Psychology to be able to study Psychology at university.

A Psychology degree can lead to a wide range of career opportunities, as it is the study of human and animal behaviour. Careers in medicine and nursing, business, the media, the armed services, the Police, the Civil Service, advertising, teaching are just a few examples. Many former students have gone on to successfully pursue these careers and some have chosen to specialise further in Psychology, becoming forensic and clinical psychologists.
