Admissions Process

Admission to the school is a simple procedure as there are no exams to take.

Entry into Year 10 or 12 requires a two-year stay in order for students to complete their full course of either GCSE or A-level study.

Students who have not taken GCSE or iGCSE Maths and English will be required to do so unless they are taking Maths and English at A-level.

A reference will be requested from the student's present school prior to the application being reviewed by Mrs Gilbert, the Head of Boarding.

You will be required to confirm your acceptance of the placement by signing a boarding agreement in which you agree to settle accounts prior to the beginning of each term and to give two terms' notice of withdrawal from the boarding house or pay two terms' fees in lieu for students wishing to withdraw.

A deposit will be required to accompany your acceptance together with the registration fee. The deposit is returnable when all the outstanding invoices are settled. The registration fee is non-returnable. Failure to take up the accepted place will result in forfeiture of the deposit.

Students who reside outside of the UK are required to have a guardian in the UK.

Fees are not returnable if students are excluded from school for disciplinary reasons or if insufficient notice of withdrawal is given.

The Sixth Form boarding house (Whitbarrow Hall) comprises 55 single, en-suite study bedrooms with internet connection and 2 double, en-suite study bedrooms with internet connection. This accommodation is specifically for sixth-form students and is subject to availability.

The boarding fee covers full board and meals, bed linen and laundry and the arrangements for care.

The fees do not include clothing, recreational outings, personal expenses, the cost of medicines, musical instrument tuition or any other private tuition, travel away from school or any other costs relating to school activities for which parents of day students are asked to make a contribution (i.e. school trips to the theatre or Duke of Edinburgh expedition weekends).

Tuition, books and stationery etc. and most extra-curricular activities are FREE.
