

Extra Curricular Activities Programme

Autumn Term – Monday

Clubs and Extra Curricular activities at Dallam School are there to make each students' experience a little bit extra ordinary. The clubs and activities that we offer enable students from all years to be involved in a smaller community within our whole school community, learn new skills and develop new friendships outside of the classroom. In the Autumn Term there is something for everyone. Students can attend as many clubs and extra curricular activities as they want – there is no limit. Staff are really looking forward to offering the clubs to students and getting to know them outside of lessons.

Club	Time	Location	What is it?
Coding Club	Lunch Time	29	Coding Club is where you can get together with other tech-minded friends to plan, create and test computer programs and games made by you! We have a range of software in school which allows you to build your games, including Scratch, BYOB, Kodu Game Lab, Blender, Gamemaker and the Godot Game Engine. Go at your own pace, following tutorials, or work with friends to create something unique! Monday Lunchtimes, Room 29
Band	Lunch Time	Room 46	Bring your instrument and play in a band! Any student who can take their instrument out of its case, put it together and make a sound!
Year 7 Film Club	Lunch Time	57	Love films? So do we! Come along to Film Club where we will be watching new releases and classic films, and discuss all things film. Is there a film you really want to see? Then just ask!
Year 8 Film Club	Lunch Time	Room 52	Love films? Want a quiet place to be with a few friends and watch one? Come to film club! Each half term, we vote on a film and will watch it every Monday lunchtime. Make sure you pre order or bring a packed lunch so you can bring it along!
Musical Theatre Club - Year 7	Lunch Time	47	Sing and move to lots of different songs from musicals.
Football	Lunch Time	Astro	

Extra Curricular Activities Programme

Autumn Term – Tuesday

Clubs and Extra Curricular activities at Dallam School are there to make each students' experience a little bit extra ordinary. The clubs and activities that we offer enable students from all years to be involved in a smaller community within our whole school community, learn new skills and develop new friendships outside of the classroom. In the Autumn Term there is something for everyone. Students can attend as many clubs and extra curricular activities as they want – there is no limit. Staff are really looking forward to offering the clubs to students and getting to know them outside of lessons.

Club	Time	Location	What is it?
Book Club	Lunch Time	Library Room 7	Pupils can come along and decide whether to participate in pairs or larger groups to agree on a book and number of pages to read each week before meeting to discuss their reading and share lunch. Cold food only though in the Library and making sure the space is left clean and tidy.
Choir	Lunch Time	Room 46	School Choir with a range of music in a range of styles. All welcome, bring your lunch!
Dig School	Lunch Time	Room 21	An archaeology based club using Dig School created by Carezza Lewis.
Football	Lunch Time	Astro	
6th Form Basketball	Lunch Time	Sports Hall	
Warhammer And Tabletop Gaming Club	After School	Room 1	Warhammer is a multifaceted hobby centred around model building, painting and gaming. It is based on deep and interesting stories and lore from the galaxy in the 41st millennium. Armies of the human imperium, guided by the mortally wounded emperor of mankind, are besieged on all sides by the destructive forces of chaos and strange and varied alien empires. Also welcome are board game fans and any other table top games.
Hockey	After School	Sports Hall	

Extra Curricular Activities Programme

Autumn Term – Wednesday

Dallam
School

Clubs and Extra Curricular activities at Dallam School are there to make each students' experience a little bit extra ordinary. The clubs and activities that we offer enable students from all years to be involved in a smaller community within our whole school community, learn new skills and develop new friendships outside of the classroom. In the Autumn Term there is something for everyone. Students can attend as many clubs and extra curricular activities as they want – there is no limit. Staff are really looking forward to offering the clubs to students and getting to know them outside of lessons.

Club	Time	Location	What is it?
Football	Lunchtime	Astro	
3D Printing Club	Lunch Time	Room 26A	Come along and learn how to design and 3D print
Post 16 Film Club - Females In Cinema	Lunch Time	Room 56	The Post 16 Film Club offers the chance to watch and discuss the role females have in Hollywood. From female directors, to female action leads to an all female crew. We recognise the role women play in cinema.
Art Club	Lunch Time	Room 40	Creating imaginative artwork in a variety of different media.
Chess Club	Lunch time	Room 20	For students to come and learn the art of Chess. Learn a new skill, compete against others and test your problem solving skills with other like minded students.
KS3 Languages Club	Lunch Time	Room 23	A space for KS3 students who would like to discover new languages and cultures.
Science Club	Lunch Time	Room 42	The aim of the Science Club is to showcase science in everyday life through fun and engaging practical sessions, helping the students to develop their scientific methods and confidence in the subject.
GCSE Music Coursework	After School	Room 46 and Practice Rooms	Come and work on your composition, get help and guidance to make it better or make use of the practice rooms to develop your performance.
GCSE Art Support	After School	Room 41	This club is open to all GCSE Art students in both year 10 and 11. It is a chance to complete your homework in a dedicated art room with all the materials you may need, and an art teacher on hand to offer advice.
Rugby	After School	Sports Hall

Extra Curricular Activities Programme

Autumn Term – Friday

Dallam
School

Clubs and Extra Curricular activities at Dallam School are there to make each students' experience a little bit extra ordinary. The clubs and activities that we offer enable students from all years to be involved in a smaller community within our whole school community, learn new skills and develop new friendships outside of the classroom. In the Autumn Term there is something for everyone. Students can attend as many clubs and extra curricular activities as they want – there is no limit. Staff are really looking forward to offering the clubs to students and getting to know them outside of lessons.

Club	Time	Location	What is it?
Digital Art & Photography Club	Lunch Time	Room 29	Digital Art & Photography will be running Friday lunch times. Come along to practise your skills with professional photo editing software, or create 3D art and animation using the editing tools in Room 29. Share your creations with friends, chat about digital art and get tips to practise your photography skills when out and about at weekends.
Music Jam	Lunch Time	Music Room	Opportunity for students of all ages to play all genres of popular music together. Suitable for absolutely all abilities. Just a fun jam.
Photography Club	Lunch Time	Room 46	Bring your camera and learn how to take better photos! You need your own camera, and no, it can't be on a phone!
QSA (Queer Straight Alliance)	Lunch Time	Room 17	A place for LGBTQ+ students and allies to meet together, support each other and raise awareness of LGBTQ+ issues in the wider school community. Week by week, we chat, have games available to play, and students can bring their lunch. There are opportunities (for those who want to) to help plan and present an assembly for Pride month and a quiz for LGBT history month during the year.
Art in Maths	Lunch Time	Room 5	Come and be creative in a Maths classroom. A quiet supported space with 6th form support.
BTEC Media Support Session	Lunch Time	Room 58	Chance for any BTEC Media student to drop in and receive extra support or help with PSA, controlled assessment or exam preparation.
Christmas Textiles Club	Lunch Time	Room 33	We will be making Christmas stockings. Pick your fabrics, use the sewing machines and make a lovely stocking for; you, a gift or even a pet!
Running Club	After School	Off Site	See PE staff about how to take part in the running club and where to go to join in.
