

Extra Curricular Activities Programme

Spring Term – Monday

Clubs and Extra Curricular activities at Dallam School are there to make each student's experience a little bit extra ordinary. The clubs and activities that we offer enable students from all years to be involved in a smaller community within our whole school community, learn new skills and develop new friendships outside of the classroom. In the Autumn Term there is something for everyone. Students can attend as many clubs and extra-curricular activities as they want – there is no limit. Staff are really looking forward to offering the clubs to students and getting to know them outside of lessons.

| Club | Time | Location | What is it? |
|--------------------|---------------|-----------------|--|
| Choir | 12.30 | Room 47 | Bring your lunch and do some singing! All welcome. |
| Coding Club | 12:30 | Room 29 | Coding Club is where you can get together with other tech-minded friends to plan, create and test computer programs and games made by you! We have a range of software in school which allows you to build your games, including Scratch, BYOB, Kodu Game Lab, Blender, Gamemaker and the Godot Game Engine. Go at your own pace, following tutorials, or work with friends to create something unique |
| Electronics Club | 12.40 | Room 35 | Open to all year groups. Come and make circuits – so far students have experimented with flying discs, made radios and lie detectors. |
| GCSE Drama Drop-In | 12:40-13:10 | Room 48 (Drama) | Revision/intervention sessions for GCSE Drama students. Chance to drop in to get help with coursework, devising logs, performance work and revision for Component 3 Exam Paper. |
| Post 16 Film Club | 12:30 | Room 57 | Love films? We will be watching new releases and classic films. Is there a film you really want to see? Then just ask! Bring your lunch, eat while you watch and discuss what you think. |
