

## Extra Curricular Activities Programme

### Summer Term - Monday

Clubs and Extra Curricular activities at Dallam School are there to make each student's experience a little bit extraordinary. The clubs and activities that we offer enable students from all years to be involved in a smaller community within our whole school community, learn new skills and develop new friendships outside of the classroom. In the Summer Term there is something for everyone. Students can attend as many clubs and extra-curricular activities as they want – there is no limit. Staff are really looking forward to offering the clubs to students and getting to know them outside of lessons.

Club	Staff	Time	Location	What is it?
GCSE RS Drop-in Support		12:40 – 13:10	Room 14	Come and get feedback on revision and past questions you've completed. Ask for clarification on topic areas and question structure. Boost your own grade!
Coding Club	PDI	12:30	Room 29	Coding Club is where you can get together with other tech-minded friends to plan, create and test computer programs and games made by you! We have a range of software in school which allows you to build your games, including Scratch, BYOB, Kodu Game Lab, Blender, Gamemaker and the Godot Game Engine. Go at your own pace, following tutorials, or work with friends to create something unique.
Electronics Club		12.40-13.10	Room 35	Making circuits using the Hotwires kit – make burglar alarms, radios and lie detectors. All year groups welcome.
Choir		12.30	Room 46	Come and sing with other students as we get ready for the school summer concert.
Y8+ film club		12.40-13.10	Room 52	Come and have a quiet space to watch a film with some friends! You can even bring your lunch! PLEASE NOTE: If attending film club, you may bring a packed lunch – but food is not allowed to be taken out of the canteen. Students will not be allowed to enter/re-enter after 12:45.
GCSE Drama Drop-in	EJO	12:30	Room 48	Year 10/11 support with practical works and exam preparation.
Hospitality and Catering Exam Support	SED	12.40-13:10	Room 37	Support with revision and exam technique for Year 11 students
Post 16 Film Club	KGA	12:30	Room 57	Love films? We will be watching new releases and classic films. Is there a film you really want to see? Then just ask! Bring your lunch, eat while your watch and discuss what you think.
GCSE Art support	MST	12:40-13:10	Room 41	Use the Art rooms with their equipment and materials, to complete your Art coursework and exam prep.

## Extra Curricular Activities Programme
